

POCKET 140 DT-140

AM/FM Rechargeable Pocket Radio

Color
 BLACK
 WHITE

The Pocket 140 is your partner on the road. This radio is packed with everything you would need including earphones, USB cable, and a belt clip for your everyday use!

It is capable of searching automatically for radio stations available, so plug the earphones in and get ready for the tunes of your choice. The Pocket 140 is rechargeable via Micro USB so you will always have your music with you without worrying not having extra batteries on hand. For all your favorite stations, there are 40 easy-accessible presets through the top buttons. This hand-held size Pocket 140 will surprise you with its exceptional reception, quality sound, built-in clock, and last but not least the long lasting battery life with playtime up to 26 hours!
