

POCKET 800 DT-800

Compact fun in a rough style

The Pocket 800 is a mix of great features in one divine package. You will get 40 presets that are easy accessible via the buttons on the front. Listen to your favorite AM and FM stations in this compact handheld sized radio. Keep up-to-date on the latest news, weather, traffic and much more with this pocket radio. You can use this radio with 2X AA batteries which will never run out by surprise thanks to the battery power indicator.

You can use it however you want because the convenient lock switch will prevent accidental usage of the buttons. You can fall asleep with the Pocket 800 – using the auto shut off function, or wake up with the alarm timer. This versatile package will surprise you!
