

UTILITY 40 plus U4 DBT+

DAB+ / FM-RDS / Bluetooth / Aux-in / USB Playback
Ultra Rugged Digital Tuning Receiver

The Utility 40 plus is an FM/DAB+ radio designed to withstand all job site conditions with IP65 water and dust resistance. Built with a protective roll cage, this radio is shock resistant and ready for any job site. The Utility 40 plus has the latest Bluetooth technology allowing you to stream your favorite music or programs. Simply touch to pair your device with NFC technology. You can also plug and play with a USB stick! The Utility 40 plus features a Smart battery charger that ensures optimal charging of each individual battery!

The Utility 40 plus has the option to use wireless audio streaming via built-in Bluetooth with indicator. Other great features are: auto scan stations, equipped with an easy to read LCD display with backlight, a rain/dust/shock resistant radio with sleep timer and 2 alarms and snooze function.
