

GENUINE MINI dab+ DDR-7

DAB+ / FM-RDS / Aux-in / Bluetooth
Wooden Cabinet Receiver

The Genuine Mini DAB is the most charming radio you've ever seen – in DAB+ version! Certainly do not underestimate its powers! This DAB+/FM receiver with classic look has a speaker that will surprise you, complemented by the acoustically tuned wooden cabinet. Listen to your favorite radio stations in this small version of your conventional table top radio.

Despite its classic look, the Genuine Mini has very modern features. You can listen to your own music via an AUX input and connect any compatible device via Bluetooth for wireless audio streaming.
